

## ReliCord bags Mother and Baby award

ReliCord, the cord blood banking service of Reliance Life Sciences has bagged the 'Best Investment for the Future' Gold star award. The Mother and Baby awards were instituted by Mother and Baby magazine, India in 2009. Keeping a pan India perspective nominees were short-listed for over fifteen categories. Over a few months the products and services were tested and rated by a panel of mums and an in-house team from Mother and Baby and the winners were arrived upon. Besides, six special winners were chosen as Editor's Choice, which also included ReliCord. The Mother and Baby team handed over the award to Dr. Chandra Viswanathan, Senior Vice President, Regenerative Medicine group and Tania Mazumdar, Product Manager - Marketing, RediCord Division, RLS on August 24, 2010 at DALC.
